Re: Isotretinoin (Amnesteem®, Claravis®, Sotret®, Accutane®) capsules: Prior Authorization Request Form: Please respond.

---

- Please complete the attached Isotretinoin (Amnesteem®, Claravis®, Sotret®, Accutane®) capsules Prior Authorization Request Form
- To expedite the review process please complete all requested fields.
- Completed forms should be faxed to: 1-866-868-0858. It is not necessary to fax this cover page.

**Please note:** By signing the attached form you are certifying that the treatment requested is medically necessary. No contraindications are present and precautions have been considered. You will be supervising the patient's treatment. Supporting documentation is available in the patient's record. Signature on this form attests to the fact that the corresponding ICD-9 code has been documented in the patients chart and submitted on a CMS- 1500 form.

### Information about this drug

---

Isotretinoin (Amnesteem®, Claravis®, Sotret®, Accutane®) capsules  
Isotretinoin is absolutely contraindicated in pregnancy (FDA pregnancy risk category X) and should be used only in severe acne after the failure of multiple acne medications.

You can make an expedited request by indicating this at the top of the attached form. If you request an expedited review, and sign the attached form, you certify that applying the 72 hour standard review time frame may seriously jeopardize the life or health of the member or the member's ability to regain maximum function.

**Information on the attached form is protected health information and subject to all privacy and security regulations under HIPAA.**
