Important Information About Prescription Drug Coverage

To: _____ From: _____

Fax: _____ Pages: _____

Re: Request for Coverage of a Non-Formulary Drug: Please respond.

- Please complete the attached Request for Coverage of a Non-Formulary Drug Form
- To expedite the review process please complete all requested fields.
- Completed forms should be faxed to: 1-866-868-0858. It is not necessary to fax this cover page.

Please note: By signing the attached form you are certifying that the treatment requested is medically necessary. No contraindications are present and precautions have been considered. You will be supervising the patient's treatment. Supporting documentation is available in the patient's record. Signature on this form attests to the fact that the corresponding ICD-9 code has been documented in the patients chart and submitted on a CMS- 1500 form.

Information about this Request for Coverage of a Non-Formulary Drug

Use this form to request coverage of a drug that is not on the formulary. To process this request, documentation that all formulary alternatives would not be as effective or would have adverse effects is required. Please provide clinical information or other evidence supporting the medical necessity of the non-formulary drug, including previous formulary drugs attempted for this patient's condition. If the formulary exception is approved, it will be reimbursed at a Tier 3 copay for the calendar year.

You can make an expedited request by indicating this at the top of the attached form. If you request an expedited review, and sign the attached form, you certify that applying the 72 hour standard review time frame may seriously jeopardize the life or health of the member or the member's ability to regain maximum function.

Information on the attached form is protected health information and subject to all privacy and security regulations under HIPAA.

Request for Coverage of a Non-Formulary Drug Criteria

- Please provide medical justification for non-formulary drug exception.
 - All of the covered drugs on any tier of the formulary for treatment of the same condition (check applicable statements and provide justification):
 - All formulary agents would not be effective
 - All formulary agents would have adverse effects
 - Patient preference for nonformulary drug (formulary agent may be effective)

Medical Justification: Provide clinical information or other evidence to support medical necessity for this request. List previous drugs and doses attempted for this patient, condition and dates or approximate dates or duration of treatment (if known). Document adverse effects requiring discontinuation and/or reason for perceived ineffectiveness. Attach additional pages if necessary. _____
